

The interchange at Northside Boulevard will be replaced with a Single Point Urban Interchange to accommodate more traffic and reduce delays. Construction will begin in mid-2019 and continue until early 2021.

This work is part of a project to invest more than \$330 million to improve I-84 in Nampa and Caldwell over the next several years.

NORTHSIDE BOULEVARD INTERCHANGE

WHAT TO EXPECT DURING CONSTRUCTION

- Northside Boulevard will be open during the day.
- Traffic will be shifted around the work zone from week to week.
- Northside Boulevard will be closed for several nights in 2020 while girders are placed for the new interchange bridge.
- Ramps at the interchange may be closed overnight and trucks may be detoured around the interchange.
- Nighttime closures will be scheduled at the intersection of Northside Boulevard and 6th Street/Shannon Drive.
- Construction may be noisy at night.

SINGLE POINT URBAN INTERCHANGE (SPUI)
