SHOULDER WIDENING

- The Idaho Transportation Department is constructing temporary travel lanes on the outside shoulders of Interstate 84 between Franklin Road (Exit 29) and Karcher Road (Exit 33) in Nampa.
- This is the first phase of widening I-84 between Caldwell and Nampa.
- Once completed, ITD will use the newly constructed shoulders to keep two lanes of traffic flowing in either direction as the next phase of construction begins in Summer 2021.
