## Outreach to the Hispanic Community February 2023

On February 20, 2023, two members of the project public involvement team traveled to the Burley/Heyburn area to post copies of the postcard in locations frequented by the area's Hispanic population.

The goal of the outreach effort was to better engage Spanish speaking people in the project area so that they are aware of the project and have the opportunity to be involved in project decision-making. The postcard included Spanish and English and provided details of the upcoming in-person meeting on March 1 at the Burley Hampton Inn and the online meeting March 2 through March 16.

The information was posted at several locations in Burley. The location in Heyburn had a flooded parking lot so the team was unable to get to the building. Merchants gave permission to display the postcard at the following locations:

It would be handy to have a narrator for the videos.  
Thanks for doing the animation though.

Do you have an update on State Hwy 27 from Paul to Burley? Are you doubling the lanes? Also, I'm concerned about the lights on the Burley interchange. They might stop a lot of traffic, which goes from Paul to Burley an vice versa. Thanks for your consideration.
